Message:

As per Corporate Sun Inc edict, residents' birthdays and residents' wedding anniversaries will not be published in our local Hampton Herald newsletter - effective November 2020.

As another service to our residents, your HOA will post them in our Hamptons HOA web site (www.flhamptons.com) under the Special Occasions tab on the left side of the home page.

Please note that the birthdays are only listed with a month and day. They are NOT listed with a month, day, and year. We all want to remain young...smile.

Note that wedding anniversaries for residents who have been married for 50 and longer years are listed with a month, day, and year (in order to especially honor those who have been married for that length of time). Anniversaries for those couples who have been married for 49 and fewer years are listed only with a month and day.

The above dates are calculated from our HOA Master Resident Database. If you wish to have that data removed from the database, please let me know and I will delete it. If you would like to have any of your above data included, and is not listed now, please let me know and I will add it.
