Subject: 2021 Hamptons HOA Board of Directors (BOD).

Just prior to an emergency meeting Thursday evening I had the honor of installing the four newly elected members of the [Hamptons HOA BOD](#). Newly elected Directors include Kathy Hall, Mary Kay Colclaser, Dave Stuart, and Darry Armstrong. These new Directors didn't waste any time getting down to business. They joined returning Directors Denny Flynn, Gary Hubbard, Mike Barry, and Rich Moyer in appointing our ninth and final member of the 2021 BOD, Kathy Wright. Having worked in various roles with these new Directors over the past year, I assure you that these may be some of the most energetic and capable people to ever step up and run you HOA. Your HOA is in very good hands, indeed. Congratulations to each of the new Directors!

Thanks,

*Rich Moyer*
