Tree and Brush Trimming

Based on Law and Sun Communities' prospectus, you have the right to trim trees and brush on your property.... that is, as long as you understand the definition of 'your property'. If you picture your lot as a box, and the sides of that box go up to the sky, you have the right to trim any foliage that protrudes into that box. This box denotes 'your property'. Thus, if a tree or brush comes from your neighbor's yard, or comes from the wetlands or a common area, and it encroaches into your boxed space, you have the right to trim it so it is eliminated from within your box. Thank you and let's all keep The Hamptons looking beautiful.

DRIVE-BY BINGO

The Hamptons' Activities Department is running yet another Door BINGO Game. Once a winner is declared, another will begin. All interested residents can pick up one BINGO board for free. Each day after (except weekends), a number will be displayed on the front door of the Clubhouse. The first person to get a straight line BINGO wins. A straight line BINGO may be a diagonal, however, four corners and postage stamps will not be considered a win. The first person to return their winning board to the Clubhouse Office will win a \$25.00 gift certificate.
