DID YOU KNOW ??? The City of Auburndale maintains a phone notification system for emergencies like the most recent water main break here in the Hamptons. The problem is the phone number they have for many of us is the one we gave when we applied for water service. For many of us that was years ago so and is possibly out of date. We all should update this info with them so in the future so we can be notified in a timely manner.

DID YOU KNOW ??? The City of Auburndale maintains a **Recycling Drop Off Area** located at Public Works, **915 Charles Avenue**. You may utilize these dumpsters for large items that don't fit into your household trash can or if you have an abundance of materials (i.e. Amazon boxes) that can be recycled. Materials accepted are paper, plastic, flattened cardboard and aluminum/metal cans. <https://www.auburndalefl.com/sanitation/>

Public Utilities, Water Division 863-965-5511

Auburndale Dispatch at (863)401-2240 for after hours emergencies
